Case No. 18-09108
Reporting Period: 02/01/19 - 02/28/19

GENERAL NOTES

The financial statements and supplemental information contained herein are unaudited, preliminary, and may not comply with generally accepted accounting principles ("GAAP") in all material respects. In addition, the financial statements and supplemental information contained herein is provided to fulfill the requirements of the Office of the United States Trustee and have been derived from the books and records of the Debtor existing at the time the Debtor filed its respective petition for relief under chapter 11 of the Bankruptcy Code or based on records. The Debtor cannot guarantee the reliability of the information contained in the general ledgers and other books and records that were prepared by their former management. Further, the amounts included herein may differ materially from the amounts set forth in any of the Debtors' Schedules of Assets and Liabilities and/or the Debtor's Statement of Financial Affairs as current management has since had time to reconcile certain information in the Debtor's books and records.

The Debtor is reporting preliminary financial information that may be subject to substantial and material revision based upon further review, year-end analysis and/or tax return adjustments.

The Debtor is utilizing internally generated financial statements and attached them to the applicable MOR forms filed with the United States Bankruptcy Court. As a result, the applicable Balance Sheet balances are reported for the entire month and does not include the balances as of the petition date, and the applicable Income Statement includes "month-to-date" and "year-to-date" information, as opposed to information covering the Petition Date through the last date of the applicable month.

The Internal Revenue Service has ruled that both the Organization and Foundation qualify under Section 501(c)(3) of the Internal Revenue Code and are, therefore, generally not subject to income taxation under present income tax laws. Payroll taxes are inclusive of the amount collected by Paychex and can be made available by request.

Insurance Receivables and Contingent Liability are recorded in accordance with the 2016 Audited Financial Statements.

Receipts and Disbursements for the current month are being reported on a Book Basis rather than a Cash Basis and will continue to do so going forward.

The Debtor reserves the right to amend or supplement the information contained in this report.
